CQI Customer Intelligence for Airlines

Booking · Check-in · Lounge · Gate · Onboard · Arrival · Post-flight

85%

The **Silent** Majority

They don’t complain.

They book another airline.

UK Civil Aviation Authority, Aviation Consumer Survey 2025 — 15% of disrupted passengers made a complaint.

CQI

CQI senses your passengers, even when they are silent.

This silence is an opportunity.

CQI

ONE PASSENGER · ZERO FEEDBACK

Michelle’s experience

Smooth journeys

Significant delay

Significant delay

Missed connection

Significant delay

Bag didn’t arrive

Her experience changed.

Will the airline act differently?

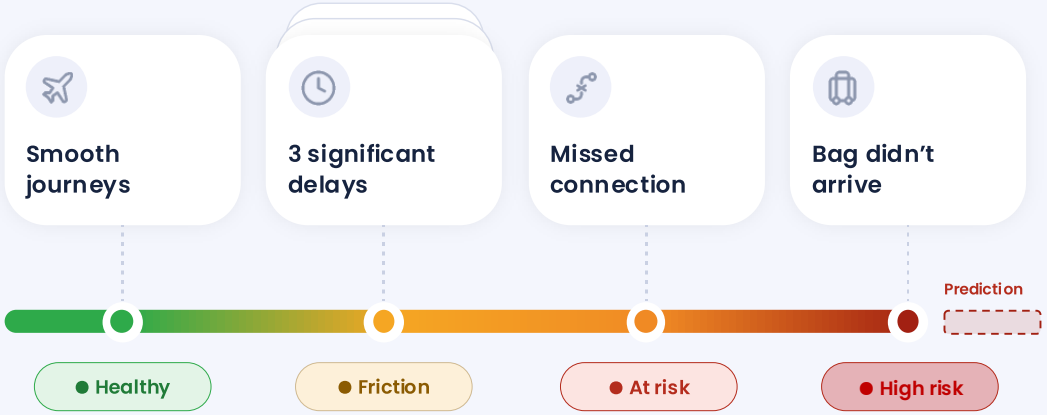

CQI

ONE PASSENGER · ZERO COMPLAINTS

WITH CQI

Michelle’s experience

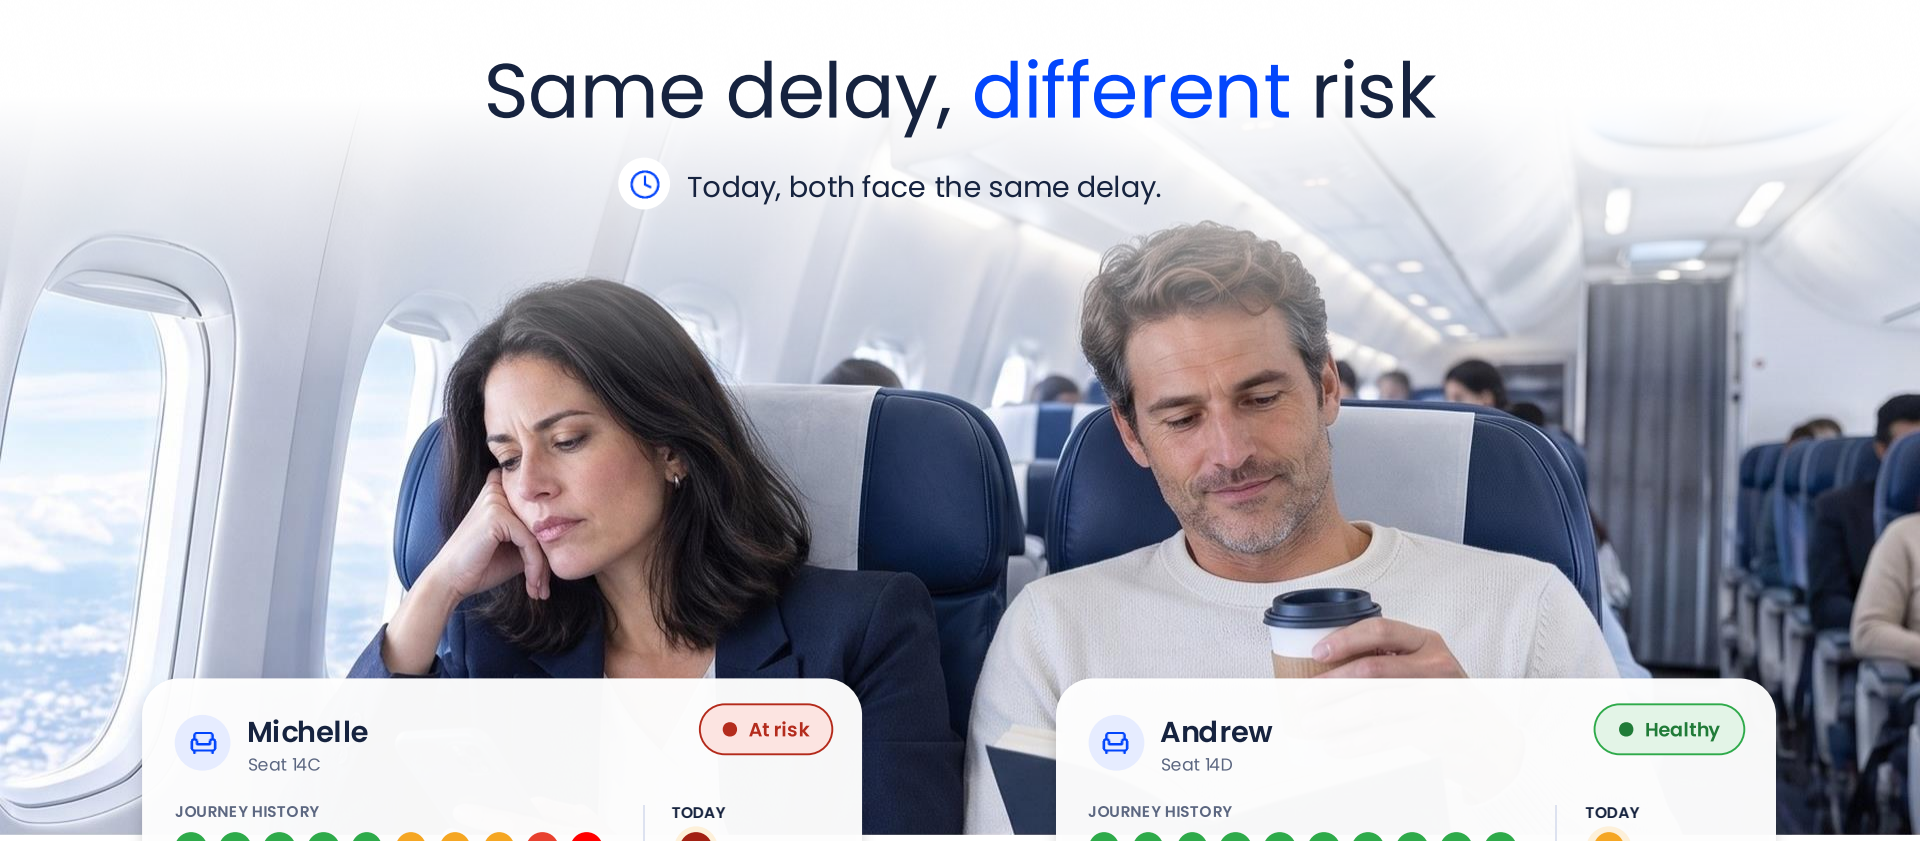

CQI models interpret the journey to predict passenger risk.

CQI

Same delay, different risk

Today, both face the same delay.

Prioritize boarding

04

On board

Enable proactive care

05

Customer support

Route with full context

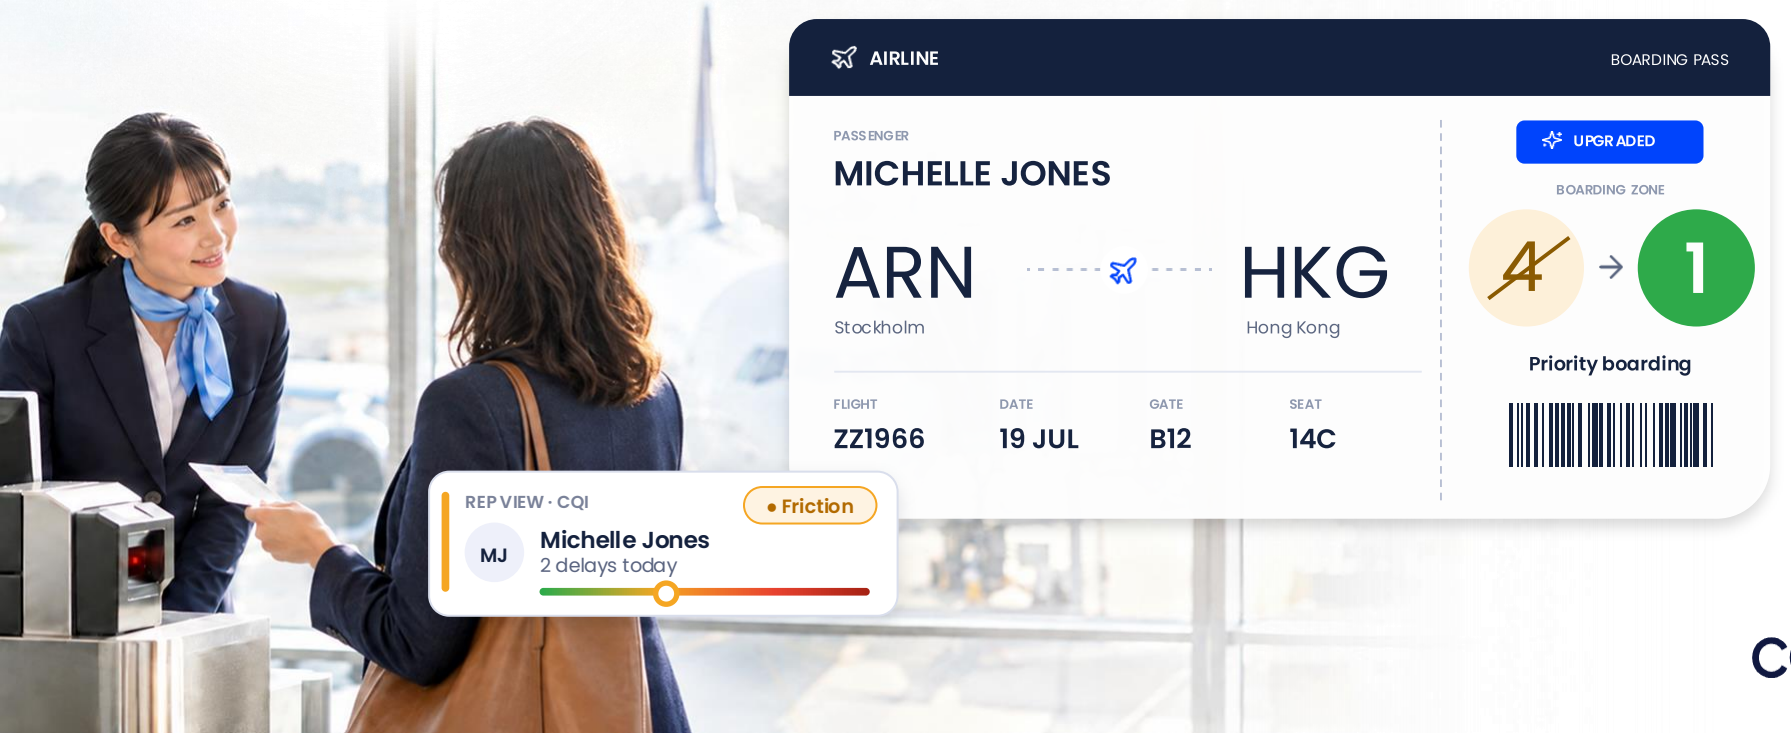

Your playbook from day one. Smarter recommendations over time.

Passenger's context at every touchpoint

At check-in · **At the gate** · Onboard · After the flight

At the gate, the team knows who may need a personal update.

WITH CQI

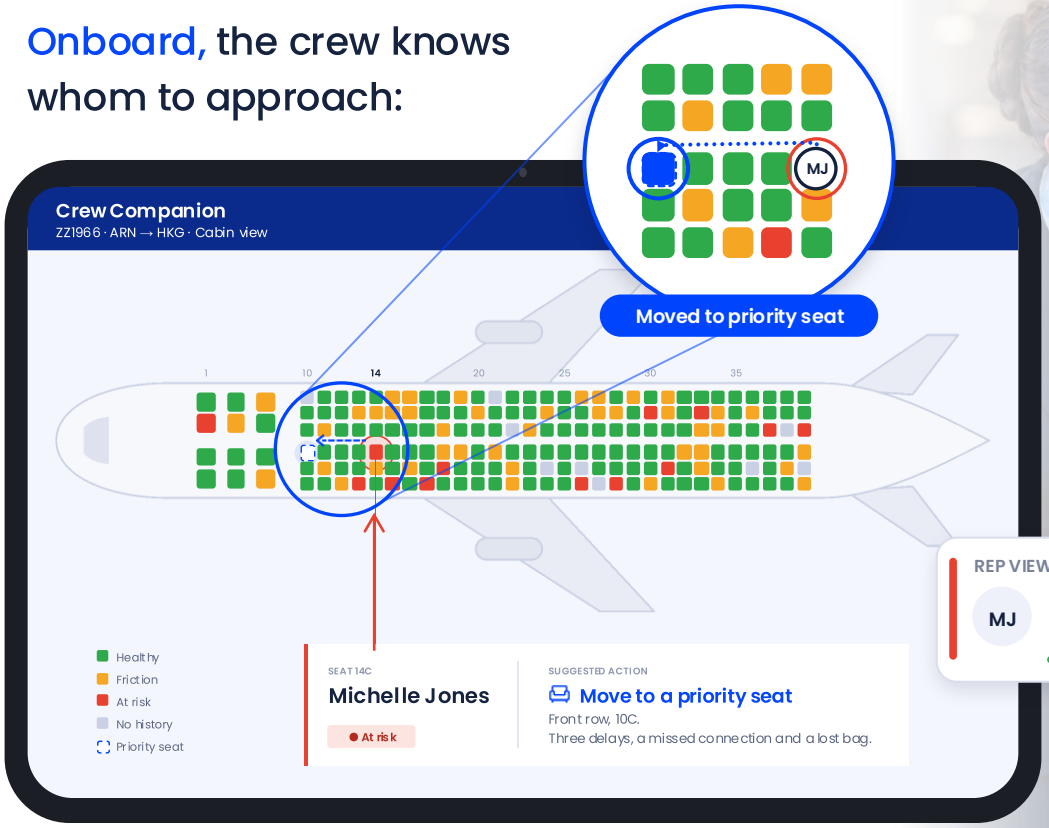

CQI

Passenger's context at every touchpoint

At check-in · At the gate · **Onboard** · After the flight

Onboard, the crew knows whom to approach:

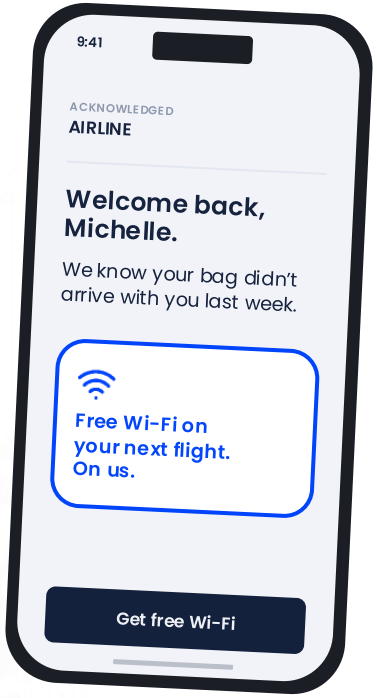

Passenger's context at every touchpoint

At check-in · At the gate · Onboard · **After the flight**

Post flight proactive approach

WITH CQI

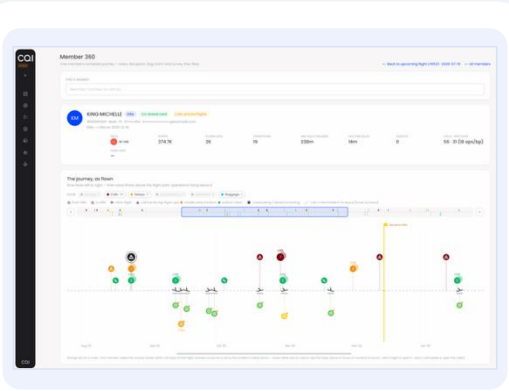

The understanding follows the passenger. **The response fits the moment.**

CQI

From the command view **to the aisle**.

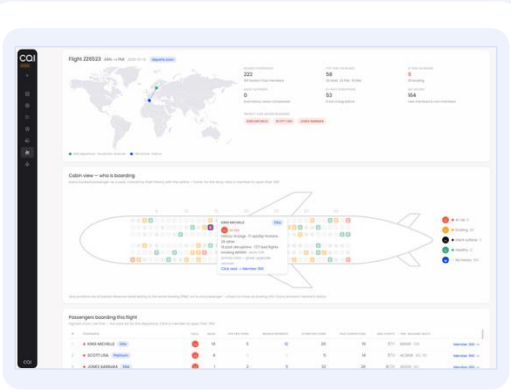

Who is at risk, what to do and whether it worked. On every passenger, at any moment.

MEMBER 360

The journey, as flown

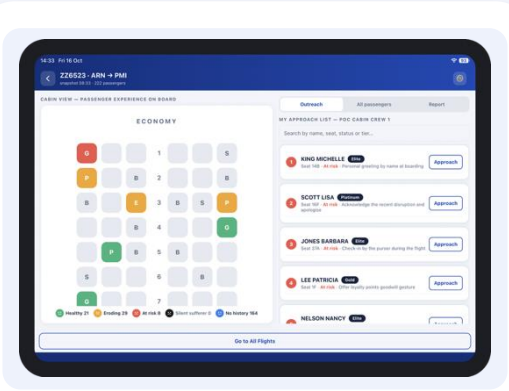

Every flight, delay, bag claim and call in one timeline: the passenger's whole experience with the airline.

FLIGHT DASHBOARD

Every seat, before boarding

Each booked passenger coloured by their history: who is at risk, who stays silent, who needs care first.

CREW COMPANION · iPAD

Act in the aisle

A named approach list and a suggested action per seat.

Your passengers
may leave in silence.

Don’t let silence
have the last word.

CQI. See the risk. Act early.
Earn their next booking.

CQI

Turn on the light where no one is looking.
